~ Restricted to Family and Consumer Sciences majors. ^ A grade of C or better must be earned.

Students may minor in one of the following: health, human resource management, nutrition, or gerontology instead of choosing an area of specialization.

Minor/Specializations may fulfill some general education requirements. Please check with catalog requirements.

Program must include 40 hours above 299.

All applicants or students transferring to the Family and Consumer Sciences Program must meet the following requirements to be admitted to the program:

1. Complete one semester of academic work at Winthrop (no less than 12 hours and no Family and Consumer Sciences courses are allowed in the initial 12 hours), and achieve a minimum cumulative grade point average of 2.25 for all coursework.
2. Select a specialization—Youth Issues, Business/Media, or Early Intervention, or minor in one of the following—Health, Human Resource Management, Nutrition, or Gerontology.

Additional Requirements:

1. Students must meet all University requirements and earn a cumulative grade point average of 2.25 or greater in order to graduate.
2. The following courses are restricted to Family and Consumer Sciences majors in good standing (a 2.25 minimum cumulative grade point average): FACS 211, FACS 340, FACS 381, FACS 401, FACS 501, FACS 500, and FACS 502.
3. Students must complete the Professional Courses with a grade of “C” or better in each course: FACS 211, FACS 381, FACS 401, FACS 500, FACS 501, FACS 502, EDCI 331, NUTR 221, NUTR 231, NUTR 232, HLTH 506, SOCL 305.
4. Complete a minimum of 40 hours of courses numbered above 299. In order to meet this University requirement, students may have to take courses above 299 as their electives.
